DETAILED ACTION

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: the closet prior art of record Gosling et al., EP 0810524, Aggrawal et al., U.S. Pat. No. 5,924,116 and Riggins U.S. Pat. No. 6,766,454) does not teach or suggest uploading a code module from the client to the web server, wherein the code module is signed with a key at the client in combination with all the elements of the independent claims as argued by Applicants'. Applicants' arguments have been considered persuasive, in light of the claim limitations as well as the enabling portions of the specification.

2. The dependent claims further limit the independent claims and are considered allowable on the same basis as the independent claims as well as for the further limitations set forth.

3. Claims **9-12** and **20-22**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
